

Z-Flex®
Chimney & Venting Solutions

TRIPLE LOCK LINERS FOR STRENGTH!

- Triple lock construction - won't pull apart during installation or separate under extreme heat conditions.
- UL tested to 2100°F creosote burnout test
- Corrugations engineered for maximum "bend-ability"
- Propriety 316 grade S/S with Titanium ensures indefinite life service, and safety in containing creosote fire

Patented Triple Lock Design
